

4MB 2018

Essential Agreement

In **4MB** we think about how other people feel, and use the golden rule...

'Treat people the way you want to be treated.'

We care for people if they are hurt or upset. In **4MB** we are courageous with our learning! We will step out of our comfort zone. We will take risks to reach higher heights in our learning and try new things! We will demonstrate Honesty and Integrity. We will try to be fair at all times. We will share and tell the truth. In **4MB** we enjoy learning and are inquirers. We will question, and research answers to our questions. We will search for new things to expand our minds and gain new knowledge by exploring.

We will be good communicators to try to learn from different people. We can use different languages and symbols to express our ideas. We will listen to others and talk clearly and confidently. Communicators show respect by facing each other and using eye contact. We can show empathy by 'putting ourselves in other people's shoes'. In **4MB** we show respect by not hurting or bullying others. We will always try to be nice to each other. In the classroom we will put our hands up when we want to say something and not disturb someone when they are speaking.

We will respect peoples, opinions, cultures and ideas.

We will be creative using art and dance. When drawing we will add colour and detail. We will put time into our work and be proud of what we have accomplished. We will use our imagination to come up with new ideas and try to think creatively to solve complex problems.

We will show confidence by believing in ourselves!

We can be confident when we are being ourselves and trying new things in life - being brave and bold. We show commitment by never giving up on our goals. We should always work hard and try our best. We will try to finish what we have started. We show co-operation by working in groups or in pairs. If there is something that you can't accomplish yourself, try working in a group! We will share ideas and work with and help new people to our classroom.

We will use teamwork to solve problems!

Sometimes, things go wrong... here is what happens next...

- Mr Bell will restate the rule and redirect you to the task or expectation.
- Exclusion from the activity (within the classroom) having time to reflect on the behaviour, prior to re-entry.
- Exclusion from the classroom (within the grade 4 teachers) having time for reflection prior to re-entry.
- Excluded from play time activities to complete class work and/or restorative practice, the incident is documented.
