

# 5CM's Essential Agreement!

## Caring -

5CM will be caring by showing **respect** as we are grateful for our friends and will share our resources and ideas. We will show **empathy** towards our peers by caring about their feelings and treating them the way we would like to be treated.. We will allow each other **personal space** to ensure we all feel comfortable in the classroom.

## Communicator

5CM will **cooperate** with each other and build each other's **confidence** by **listening** and **respecting** each other's thoughts and ideas. We will have the courage to share our own ideas and speak clearly and confidently to the class. We will always use **positive** and kind language when speaking to others in the classroom and outside. We will talk to our classmates **kindly** to resolve problems.

## Balanced

5CM will be **committed** to completing our work and home learning in a **timely manner** so that we can use our free time to enjoy ourselves. We will **appreciate** and make the most of our learning time as well as our break times by always being **confident** in our **abilities** and doing our best. We will make our classroom a fun and exciting place to learn so that we are **working hard** but having fun as well.

## Principled

5CM will show **respect** to our teachers and elders by **listening and following instructions independently**. We will show **respect** for our learning space by cleaning up after ourselves and putting things away where they belong. We will move **safely** around the classroom by walking and being aware of those around us. We will always **be true to ourselves** and help others when they are in need.

## Thinker

5CM will be **curious** of the world around us, asking **questions** and trying to find the **answers**. We will **cooperate** with others to **assist** in finding the answers to our **questions** or **problems**. We will be **confident** when **triallying** new **ideas** to solve a problem.

## Reflective

5CM will be **confident** when **reflecting** on our **strengths** and will be **tolerant** towards others **suggestions** or comments about our **learning**. We will be **committed** to **improving** ourselves and **working** towards our **goals**.

## Open-Minded

5CM will be **accepting** of new facts, **different opinions** and ideas. We will **respect** the ideas of others and never put others ideas down. We will be **creative** and try to **express ourselves** in different ways.

## Inquirer

5CM will take **risks** to learn more **information** and skills, and ask **tricky questions** that can't always be answered easily. We will be **creative** by thinking a step ahead and **creating** new **knowledge** or **skills** from our research.

## Knowledgeable

5CM will be **curious** about the world and search for the **information** to answer our **questions**. Learning can take a long time, so we will be **committed** by **continuing to challenge** ourselves and add to our **prior knowledge** every day. While we learn with others and by ourselves we will be **responsible** for our role in the group and of our own **learning**.

## Positive Consequences

- Dojo point
- Marble in the jar for whole class
- We will have a calm, clean, positive classroom.
- We will learn lots!
