5KP ESSENTIAL LEARNING AGREEMENT, 2016

All 5KP classmates will respect teachers, other students and themselves. 5KP students will respect other peoples differences, feelings, values, beliefs and opinions. Students will take care of their belongings and look after their laptops. We will respect the noise level sign. We always respect property of the school, Miss Payne’s and classmates. We will treat all teachers with respect, just like we do Miss Payne. We treat others the way we want to be treated.

5KP shows respect by using manners at all times. We are communicators by listening and letting everyone have a chance to speak.

We always walk inside the classroom and are safe around chairs. 5KP students always say kind and polite things about people. 😊

To be fantabulawesome students of 5KP we will be thinkers by being ready to learn at 8:50am, with our pencil cases/books on the table and a positive attitude. We will listen attentively to instructions, obey the teacher and the 5KP noise level sign. Students will also be quiet when someone is talking and be the most awesome grade ever!

We will show enthusiasm by encouraging others. We will use integrity by telling the truth and owning up to our mistakes. We will show curiosity by asking sensible questions. We will show commitment by not giving up. We will always be committed to do our best work.

We will be independent and ignore others, when they are being silly, irresponsible and annoying. 5KP is enthusiastic and has positive learners.

In the playground we are role models for the younger grades. We are responsible for our actions to everybody around us. We take turns on the equipment and we take care of the new children. We show appreciation for what we have at Seabrook. We are respectful, kind and caring towards others.
