6EC ESSENTIAL AGREEMENT

Being students at Seabrook Primary School means we display the attributes of the PYP learner profile and attitudes. In 6EC, we have a responsibility to be role models to the Seabrook community.

We will demonstrate creativity... by adding pizazz to our work, thinking outside the box and creating our own ideas to make our work unique.

We will display confidence... by sharing our ideas with the class, listening to others and being proud of our work, our choices and ourselves.

We will show enthusiasm ... by being committed to our work, looking forward to learning something new and being optimistic.

We will demonstrate respect... by paying attention and listening to others, greeting people and appreciating others individuality.

We will display independence...by completing set tasks, sticking to set time frames, exploring different ideas and being responsible for our own learning.

We will show we are risk takers... by having a go, thinking of new ideas and trying new things.
We will demonstrate co-operation... by including others ideas, working in teams and communicating well in groups.

We will show we are balanced... by being successful with completing school work, outside commitments and knowing when to have fun.
