

6JB Essential Agreement 2019!

IB Learner Profile	How we will show this in the classroom?
<p>Inquirers Ayden and Ryan</p>	<p>In 6JB we will nurture our curiosity for research and know how to independently think and sustain our enthusiasm for learning throughout life. We show curiosity and enthusiasm when doing work and if we get something wrong we never give up.</p>
<p>Knowledgeable Jack and Serena</p>	<p>In 6JB we make connections to not only our local community but the global community. We use our past knowledge to help us with new topics we may be researching. We use our knowledge for all subjects.</p>
<p>Thinkers Nicholas & Nicky & Jayden</p>	<p>In 6JB we use our creativity while doing our work. We use our prior knowledge to make ethical decisions and use our thinking to solve complex problems and issues in the classroom. We will use an appropriate walking pace</p>
<p>Communicators Rishi Niccolo & Faris</p>	<p>In 6JB we will confidently speak with a clear and loud voice. We creatively express our ideas and we collaborate effectively and listen to other people's ideas. We communicate respectfully with all teachers and all peers and we speak with an appropriate level.</p>
<p>Principled Takesha and Rinad</p>	<p>In 6JB we respect our peers and teachers in and outside of class. We show integrity and honesty because it can lead us to having a better connection with our community. We show pride in our work and we learn from our mistakes so we can improve in the future.</p>
<p>Open-minded Harvey and Finn</p>	<p>In 6JB we put ourselves in other people's shoes and we appreciate people's traditions. We appreciate other people's ideas in group work. We trust each other and we show tolerance towards everybody</p>
<p>Caring Airlea & Bianca</p>	<p>The students in 6JB communicate respectfully while speaking to our peers and teachers. We support and include everyone when we can and we always show good sportsmanship towards our classmates. We trust each other and tolerate all students in and outside the classroom. We always appreciate other students ideas in group projects.</p>
<p>Risk-takers Olivia, Aliyah, Isabella</p>	<p>In 6JB, we will be risk-takers by working independently and cooperatively, we also listen and respect teachers and peers. We always have a go at everything and if it's incorrect "that's okay" because there's always room for improvement. We learn from our mistakes. 6JB will always be respectful and listen to one and other at all times.</p>

<p>Balanced Maya and Sarah</p>	<p>In 6JB we understand how to balance different aspects of our lives. For example, when it comes to the things we want to do and the things we need to do, we take responsibility for our actions and the outcome.</p>
<p>Reflective Jett & Liam</p>	<p>In 6JB we reflect on our behaviour by seeing how others reflect on themselves and seeing how they cope with their own behaviours. We show others the right thing to do, to help them reflect on themselves. We try and be the best role models we can be and strive to be better role models.</p>
