As students of 5JJ, we will all agree to follow these rules to provide a safe and fun learning environment.

1. As **Thinkers** we will show commitment and cooperation to our learning.
2. We will be **Principled** by being good role models, respectful and showing integrity in the classroom.
3. We will be **Open-Minded** by sharing our ideas and accepting other’s point of view.
4. We will be **Reflective** by being committed to improving our work and learning. We will learn from our mistakes.
5. We will be ** Courageous ** by trying new things and by being confident with our learning.
6. We will be ** Knowledgeable ** by showing respect when learning from others. We will make links to our prior knowledge and have a go.
7. We will be **Communicators** by sharing ideas through discussions, images, and writing. Our work will be clear and professional.
8. We will be **Caring** by looking after each other and appreciating each other’s ideas. We will show empathy towards one another, and respect each other’s body, belongings, and learning space.

9. We will be **Balanced** by showing commitment to our work and to our play. We will be enthusiastic about our work.

10. We will be **Inquirers** by being curious about our world and asking heaps of questions.
