Dear Parents / Guardians,

To link in with our Inquiry on 'Our thoughts, feelings and actions influence the way we interact with the world,' we are having the Life Education mobile classroom visit our school from:

7th May – 17th May 2018.

Lessons are always age appropriate and the children will be covering a wide range of drug and health related topics, ranging from the human body and how it works, healthy eating and nutrition, medicines and drugs, bullying, resilience and social skills. Healthy Harold, the much loved Life Education giraffe mascot is always a much anticipated element of the Life Education visit. The sessions are always fun, interactive and really extend and develop the children's understanding of the topics covered. We will be further broadening these topics in class both prior to and after the Life Education visit with the student workbook, which is included in the cost of the visit. It is important that your child attend this session.

As a charity, Life Education relies heavily on the generosity of local organisations to keep its fleet of mobile classrooms on the road delivering positive health and life messages to over 200,000 children in Victoria alone.

The cost for this incursion is \$9.00 per child, which covers 50% of the actual cost

Payment options are cash, or

Please return your payment of \$9 and your signed permission slip by **Friday 4th of May**. Qkr payments with permission slip closes at 4pm on Thursday the 3rd of May.
