Prep Dream Puppets Incursion

In line with our new Unit of Inquiry and Central Idea, "People use ideas and feelings to express creativity," we have ***Dream Puppets*** presenting a brilliant black light and imaginative puppet theatre incursion, to the preps. The students will watch the 'Dreamer' - a performance about a little creature who lives in a different world to ours. Dreamer is half animal and half human, very playful and childlike, and can communicate with other creatures without talking. This will enhance our learning on creativity and how creativity has many forms.

Date: Wednesday May 2nd, 2018

Cost: **\$5.00 (CASH ONLY)**

Thank you,

Prep Team
