

SEABROOK IS ON A MISSION AND WE NEED YOUR HELP!

JUST BECAUSE
YOU'RE TRASH
DOESN'T MEAN
YOU CAN'T DO
GREAT THINGS.

IT IS CALLED
GARBAGE CAN.
NOT GARBAGE
CANNOT.

Eco meme of the week

The year six Sustainable Leadership team in conjunction with our Staff Sustainability Committee are on a mission to reduce the amount of waste our school produces! Below is an excerpt from our Sustainability Policy regarding waste management.

WASTE

- To minimise rubbish and recycle our waste throughout the school, as much as possible, on a daily basis.
 - To strive for and maintain litter-free school grounds.
 - To include the school community in the process of developing a Waste Smart school.
 - Students to take responsibility for disposing of food scraps, paper and rubbish in the appropriate manner.
- To continue to have yard clean ups and litter management, such as, eating inside, food only to be eaten in courtyard areas, nude food days.
 - To promote rubbish free lunches and reward those who participate regularly.
 - To maintain the compost bin/worm farm.
 - To be a drop-off point for the community to reuse/recycle mobile phones.

HOW CAN YOU HELP US ACHIEVE OUR GOALS?

Waste tip of the week

Use re-useable containers for your lunch
e.g. washable plastic containers, zip-top lunch bags which can be used more than once, margarine or butter containers, beeswax wraps as an alternative to cling wrap.

Stay tuned for weekly tips and tricks that will help you implement waste friendly house hold and school community!
