

Risk-Taker

In our class we are RISK-TAKERS when we have a go at things even when we are not sure. We try our best and work independently.

Reflective

We are
REFLECTIVE
when we choose
to do good
things. If we make
a mistake we can
try to do better
next time.

Principled

We are PRINCIPLED
when we are kind to
each other and
respectful to our
friends and teachers.
We will try to do the
right thing and not be
distracted.

Knowledgeable

In our class we are **KNOWLEDGEABLE** because we can teach others how to do new things. We work as a team and we help each other to learn.

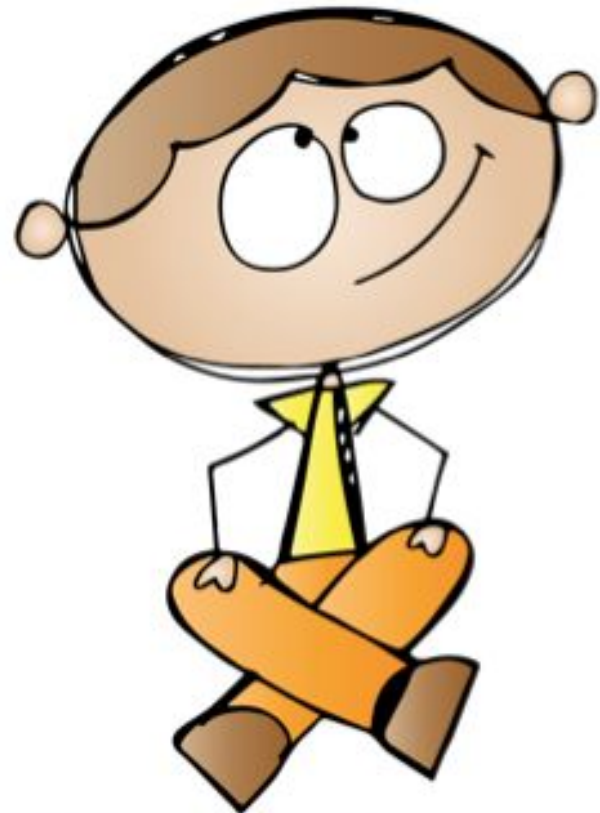

Open-Minded

In our class, we appreciate and respect each other by being **OPEN-MINDED**. We speak nicely to each other and we value the opinions and beliefs of others.

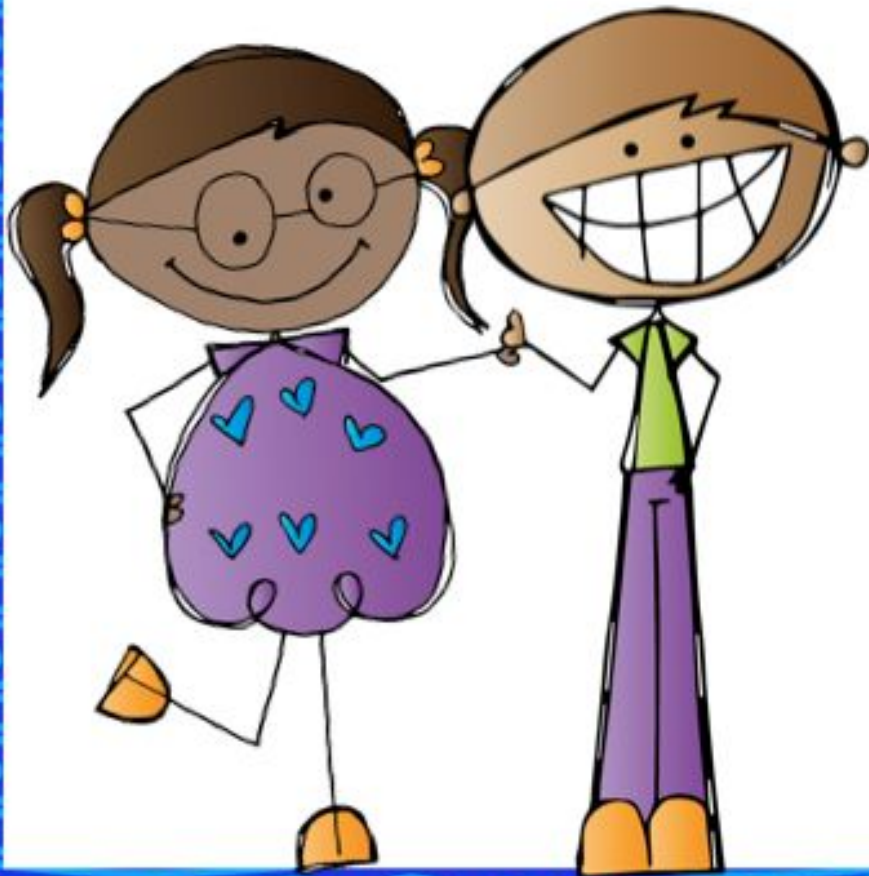

Inquirer

We are INQUIRERS
when we try to
achieve our goals
by asking
questions. We take
ideas from lots of
different places.

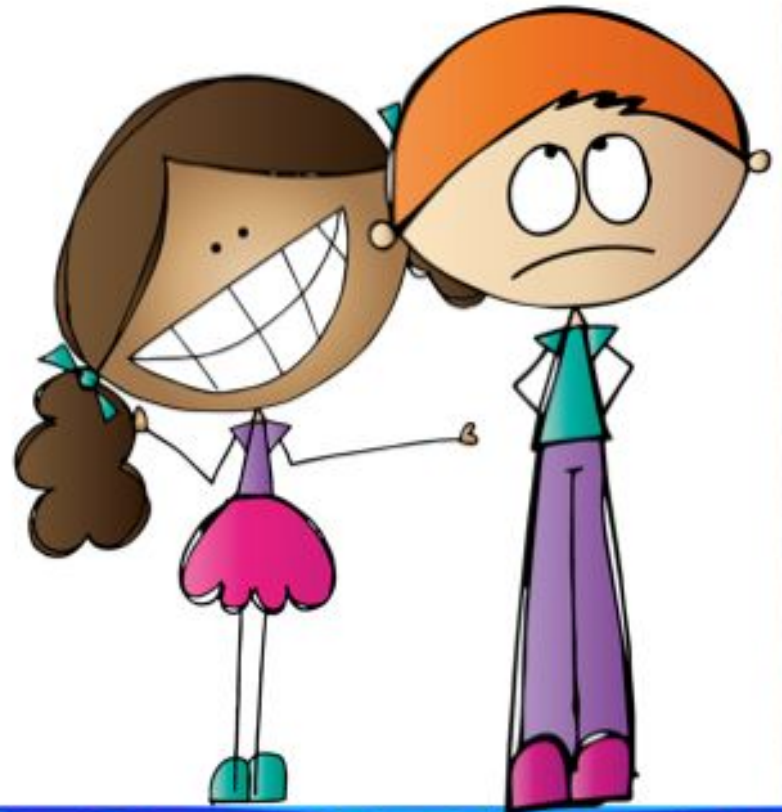

Communicator

In our class we are good COMMUNICATORS by expressing our ideas creatively and showing Whole Body Listening. We put up our hands to share and speak confidently in front of others.

Caring

In our class, we are CARING because we listen to our teachers and to each other. We look after others, we use our manners and work together as a team.

Balanced

In our class, we are **BALANCED** and know that there are times for play and times for learning. We look after ourselves by eating good food and having brain breaks when we need it.

Thinker

In our class, we are THINKERS and take our time to plan and think before we take action. We take responsibility for our behaviour and try to make good choices.
