

Uniform Policy

November 2019

Rationale

The School Council has developed the Seabrook Student Dress Code and the School Council has made the school uniform compulsory for all students. The Seabrook School Council supports the wearing of a compulsory school uniform because it:

- Looks great
- Discourages peer group pressure and competition in dress
- Is generally more economical
- Some items are unisex

There is a Seabrook school bag available that comes with a warranty (following care instructions). Please enquire at the school office, however the style and type of bag is of personal choice.

School Council Recommendations

- Long hair on boys and girls should be tied back at all times for health and safety reasons. Hair accessories should reflect the school's colours of navy, burgundy and white (exceptions are Fridays and house-team event days where house team colours are acceptable).
- A spare set of clothes, including underwear and socks may be left at school in case of wet weather or accidents.
- Sunscreen lotion is applied before school, during hot weather and days of high UV ratings. Clear or skin tone zinc cream may be worn. Stick or roll-on sunscreen may be kept in your child's bag to apply during the day.
- All garments have the child's name clearly marked. Names to be marked on shoes. Items of uniform should be re-named after frequent washes.
- Parents experiencing financial difficulties need to approach the Principal or welfare coordinator for assistance.
- Students must be in school uniform when representing the school for excursions and sporting events.
- Students are required to wear uniform everyday so parents are expected to purchase sufficient uniform items to ensure this.

Exemptions

Exceptions from the Student Dress Code may occur for special occasions, such as dress up days, casual dress days and camps. Some exemptions from the student dress code may be provided on the following grounds: religious beliefs, ethnic or cultural grounds, students with disabilities, health conditions. A request for an exemption must be put in writing to the Principal where strict confidentiality will be ensured. The School Council recommends parents utilise the services of the Seabrook Second Hand Uniform shop and if necessary, speak with the welfare coordinator if assistance is required in obtaining any item.

Enforcement

Students are expected to attend school wearing the full uniform. If students are not in uniform an explanatory note from home must be forwarded to the school. Students who are out of uniform may incur the following consequences:

- The student may be excluded from an excursion or a special event
- The student may be asked to wear a clean garment from the sick bay or welfare collection

Students who are out of uniform on a regular basis without an explanatory note from home may be spoken to, and an 'out of uniform' note will be sent home.

Advice of Incomplete Uniform

If a student is noted to be out of uniform, a Letter of Advice is sent home to parents requesting a note be sent to school with an explanation for the incomplete uniform. An example of this letter can be viewed in the Seabrook Handbook.

Lost Uniform Item

If your child has lost a part of their uniform in the classroom e.g. jumper, a letter can be sent home to parents of the children in your child's classroom, requesting they check their child's jumpers. It is important to have all your child's uniform items labelled clearly.

Review

The Student Dress Code will be reviewed regularly and amended if necessary by School Council and the school community to ensure it is reflecting emerging safety and health issues or other significant issues within the community.
