

6JJ  
Essential Agreement  
2019

**THINKERS**

We will be thinkers by taking initiative to solve complex problems and taking responsible action every day.

**COMMUNICATORS**

When working in groups we will communicate verbally and with non-verbal images. We will express our ideas with enthusiasm and respectfully listen to others when they share their ideas.

**REFLECTIVE**

We can be reflective by understanding our weaknesses and strengths. We will reflect on our goals, our ideas, as well as, the ideas of others.

**OPEN-MINDED**

We are open-minded by respecting and sharing ideas with others, as well as, being mindful of our own and others' values and traditions. We are willing to listen to the points of view of others and grow from the experience. We appreciate personal histories and accept that everyone's different.

**BALANCED**

We will be balanced by using technology and books to get information for our text. We will also be balanced with work and play.

**PRINCIPLED**

We will be principled by demonstrating respect and integrity for our teachers and our classmates. We will take responsibility for our actions and what we do.

**CARING**

We will be caring by showing empathy and respect to others around us. We will be mindful and positive to people and show kindness to our classmates and everyone.

**INQUIRERS**

We will be inquirers by sustaining our love of learning throughout our lives. We will use curiosity and strength to try and gather as much information as possible.

**KNOWLEDGABLE**

We will be knowledgeable by demonstrating our conceptual knowledge as our strength to learn as much as we can. We will explore more knowledge in different ways and engage with ideas and issues that impact the globe.
