

2026 ACCEPTABLE USE AGREEMENT (Grades 1-2) ICT (Information and Communications Technology)

Seabrook Primary School uses the internet and digital technologies as valuable resources to support learning. All students must agree to use these resources responsibly at school. Parents/carers should be aware that, while our school-provided internet connection features a substantial level of filtering, full protection from inappropriate content can never be guaranteed. Cybersafety and responsible online behaviour must be actively promoted – at school and at home.

STUDENT AGREEMENT

When I use the internet and ICT equipment at school, I agree to:

(Please tick each box after reading)

- Only use iPads and other ICT devices to do what my teachers have asked me to.
- Be a safe and responsible user and always look after the school equipment. I will always be careful, and I will tell my teacher straight away if something is broken.
- Be respectful of others.
- Talk to a teacher if I feel uncomfortable or unsafe while I am using an iPad.
- Never put private information online about myself or others – like surnames, birthdays, phone numbers or addresses.
- Only use the login I have been given by my teacher, and keep the password private from students in other grades.
- Only take photos, videos or sound recordings when I have permission by my teacher.

**I have read the Acceptable Use Agreement carefully and will follow these rules.
I understand that staff may remove student access from ICT equipment if these expectations are not met.**

Student first name: _____ Surname: _____

Year Level: _____ Grade: _____ Date: _____

PARENT USE:

I have read the above information and discussed each point with my child.

Parent/Carer Signature: _____
