

ESSENTIAL AGREEMENT GRADE 3KM
GRADE 3KM MISSION STATEMENT

In grade 3KM we use the Learner Profile to help us be: a friendly class, be the best person we can be and to keep improving our learning.

- We are **open-minded** by **appreciating** the differences of others. We show **tolerance** by including everyone.
- We are **reflective** in thinking about our learning and experiences. We are reflective by knowing our strengths and weaknesses.
- We are **balanced** by having an equal amount of learning and play. We make good choices about exercise and food.
- We are **caring** by showing **empathy** and **respect** to all others. We are **committed** in caring for ourselves, others and the world.
- We are **communicators** by speaking and listening politely. We are **confident** in expressing our ideas. We think and discuss **creatively**.
- We are **inquirers** because we discover new things by being **curious**, through asking questions. We also work by ourselves **independently** to find out more.
- We are **knowledgeable** by learning lots of things and teaching others what we have learnt. We also share our ideas and use our brain.
- We are **principled** by **respecting** others and showing **integrity**. We are principled by being responsible for our behaviour, learning and belongings.
- We are **risk-takers** by **independently** having a go. We are risk-takers by not giving up and trying new things. We are risk-takers by working **cooperatively** with others.
- We are **thinkers** by learning from our mistakes. We use stop, think, do to solve problems. We care about other peoples' ideas.
