

Grade 1LB's Essential Agreement

In grade 1LB, we are **CARING** because we help each other. We **care** about the world we live in. We are **KIND**.

In 1LB, we are **OPEN-MINDED** by showing appreciation for each other's cultures. We **value** and **respect** each other.

In our class we are **RISK-TAKERS** by always trying new things. We never give up and we have a "**CAN DO**" attitude.

In Grade 1LB, we are **PRINCIPLED** because we make good choices. We are honest and we know the difference between right and wrong.

In our class we are **KNOWLEDGEABLE** because we share our ideas and understanding.

In grade 1LB, we are all **INQUIRERS** because we are curious. We ask lots of **good** questions.

In our class, we think carefully about our goals and our learning. We use our **THINKING**

SKILLS and graphic organisers to deepen our thinking.

In 1LB, we are great **COMMUNICATORS** because we listen when others are speaking.

We also use our manners and speak politely.

In our classroom we are **BALANCED** because we do lots of work, and have fun. We **WORK HARD** and **PLAY HARD!**

In our class, we are **REFLECTIVE** because we **reflect** on our learning.

We set new goals and we **reflect** on how to be the 'Best Person' we can be.
