Our mission statement highlights our commitment to inclusion

Seabrook Mission Statement

Seabrook Primary School aims to deliver best learning and teaching practice which supports and develops learners who are knowledgeable and seek to display an international perspective. Teachers, students and the wider community assist in the development of life-long learners who contribute responsibly to the global community. Our teaching and learning mission is to provide challenging, rigorous and significant programs incorporating an international perspective.

Our community nurtures the individual talents of children so that they become critical and compassionate thinkers, and life-long learners, individuals who are open to the differences that exist in our global community.

Seabrook Primary School is committed to safety and wellbeing of all children and young people. This will be the primary focus of our care and decision-making.

Seabrook Primary School has zero tolerance for child abuse.

Seabrook Primary School is committed to providing a child safe environment where children and young people are safe and feel safe, and their voices are heard about decisions that affect their lives.

Particular attention will be paid to the cultural safety of Aboriginal children and children from culturally and/or linguistically diverse backgrounds, as well as the safety of children with a disability.

Every person involved in Seabrook has a responsibility to understand the important and specific role he/she plays individually and collectively to ensure that the wellbeing and safety of all children and young people is at the forefront of all they do and every decision they make.

Bullying, unlawful discrimination, harassment, vilification and other forms of inappropriate behaviour targeting individuals or groups because of their personal attributes will not be tolerated at Seabrook Primary School . We will take appropriate measures, consistent with our Student Wellbeing and Engagement and Bullying Prevention policies to respond to students who demonstrate these behaviours at our school.

Students who may have experienced or witnessed this type of behaviour are encouraged to speak up and to let their teachers, parents or carers know about those behaviours to ensure that inappropriate behaviour can be addressed.

Students that are involved in bullying or harassing others on the basis of their personal attributes will be supported to understand the impact of their behaviour, through our restorative justice process.

Reasonable adjustments for students with disabilities

Seabrook Primary School also understands that it has a legal obligation to make reasonable adjustments to accommodate students with disabilities. A reasonable adjustment is a measure or action taken to assist students with disabilities to participate in their education on the same basis as their peers. Reasonable adjustments will be made for students with disabilities in consultation with the student, their parents or carers, their teachers and if appropriate, their treating practitioners. Our school may consult through Student Support Group processes and in other less formal ways. For more information about support available for students with disabilities, and communicating with us in relation to a student's disability, please refer to our school's Student Wellbeing and Engagement policy or contact our inclusion and well being leader, Mrs Linda Barakat for further information.
