Principal: Susan Lee

Dear Parent/Guardian,

Seabrook Primary School has a compulsory school uniform. This is because it

- Displays pride in our school and looks great
- Discourages peer and group pressure in dress
- Is generally more economical in the long term
- Has some items that are gender appropriate
- Supports children to prepare themselves for the day

It has been noticed that your child has not been wearing the complete Seabrook school uniform on a regular basis. For further details please see our website (Policies) or Xuno (Communications News).

We thank you for your support in providing the correct school uniform and for the odd times when your child cannot wear the correct uniform, a short explanatory note to the class teacher will be sufficient.

If you experience any difficulties in supplying the correct uniform items, please contact Susan Lee or Wendy Treloar (Wellbeing teacher).

Thank you.

Seabrook School Council
