### REMEMBRANCE DAY

Thank you to all the grade 5 students and teachers who prepared and presented our school Remembrance Day service.

This is an important event marking significant historical and social aspects in the world.

Thanks also to Nick McKenna for his part in the ceremony. Nick is a Corporal in the Royal Australian Air Force and has served for 10 years. His role is Avionics Technician.

### From the Principal

Dear Parents

#### UNIFORM NEWS

You may be aware that Seabrook woollen jumpers are now being made with an embroidered Seabrook school logo. Double C Jeanery is aware that some parents might like to have the logo attached to their children's existing jumpers and are offering a service for parents over the January school holidays. From December 22<sup>nd</sup> parents may drop off the Seabrook jumper to the store (aviation road), and attach a named label. The charge for this service is \$5.00 per logo. The jumpers can be collected from the store after January 23<sup>rd</sup> in time for the 2012 school year. This service is a trial and if it proves popular it may be offered again during the term 1 school break next year.

The Seabrook Uniform Committee would like to remind parents that in place of shorts, girls might like to wear a 'skort', combining the features of both shorts and skirts. Coming soon will be an alternative style of navy pants for both girls and boys. The style has double stitched knee and is more tailored than the 'American' style currently available. We will inform you through the newsletter when it is available. Also don't forget that for children with an aversion to wool, cotton sleeve inserts are available. Please ask at Double C Jeanery.

Our revised Uniform Policy (Nov, 2011) with minor changes will be available soon. The policy reflects the new items to the official uniform range; the school jumper with logo (now available), the navy 'skort' (now available) and coming soon the tailored trouser (suited to males and females). Photos of uniform items will also be available on our website shortly. Please contact Double C Jeanery if you have any enquiries about the uniform. Phone 9369 4307

#### APPOINTMENTS

Our school is a dynamic environment and our staff have many commitments and responsibilities on a daily basis. It would be greatly appreciated if you would like to speak to any member of the leadership team that you request an appointment time, by leaving your contact details. We want to follow up on all issues and concerns and often need to make special time to meet with parents.

#### GROUNDS

School council would like parents to know that we are currently seeking tenders for the development of our grounds. We are very excited of the thought of improving the play areas and appearance of the school. Unfortunately this process takes longer than we would like. We will be given a master plan for developments in the school grounds to take place over about a five year period. We plan to begin works as soon as possible and will have our plans on display as soon as they are ready.

#### PARENTS WE NEED YOUR HELP PLEASE

A number of Seabrook students and toddlers are riding their scooters/bikes in the school grounds before and after school. We want everyone to feel safe and want a ride-free zone. Please help us by asking your toddler to hop off while in the school and remind your older children not to ride in the school grounds. Also a reminder that children are not permitted to ride bikes without bike helmets. We are also distressed that some children think it is 'ok' to drop their food wrappings and other rubbish on the ground. It would be appreciated if parents could also talk to their children about using bins and taking responsibility for cleaning up after themselves. Many families are helping by providing snack food and lunch in containers to reduce the amount of wrappings brought to school. Thank you so much for helping us with these matters.

#### SCHOOL COMMUNITY WORKERS

We would like your feedback. You may be aware we have 2 community workers who work at Seabrook PS every week. The workers are paid with federal government money and we are required to re-submit applications for further funding.

Carolyn Black runs the Thursday coffee mornings for parents and supports parents with individual needs. Janet Greenwood works with children largely with social needs.

Please indicate below and return slip to school if you think these are worthwhile support services for parents and children to be continued at the school. This will assist us in pursuing this service for all Seabrook PS members. Thank you.

*Sue & Staff*

#### SCHOOL COMMUNITY WORKERS

I think the community workers are very worthwhile and would like to see them continue at Seabrook Primary School.

## PREPARATORY LEARNING COMMUNITY NEWS

On Friday the 4th of November the Preps from OCO participated in 'cultural food day'. The children brought in a plate of food to share from the countries their families come from.

There were many delicious foods and the Preps enjoyed tasting a variety of different food. The children presented their food and talked to us about where their family has come from. We then looked at these countries on a map.

We had fairy bread, pineapple (QLD), lamingtons, Anzac biscuits from Australia. Dips, tsoureki (sweet bread) and dessert tarts from Greece. Sarma from Turkey. Kiwi fruit from New Zealand. Chinese crackers and seafood from China. Walsh cakes from Wales. Pastizzis from Malta. Banana fritters from Malaysia. Mini cakes from Serbia and dry noodles from India.

We all went home that day with VERY full bellies!!!!

## JUNIOR LEARNING COMMUNITY NEWS

Grade 2GV has been experimenting with the Ultramet. This is a sample of the online discussion we had about Seabrook. We will also be posting this onto a Blog we are working on with Mercury Mine Elementary School in Phoenix Arizona.

*Natalie and Katelyn - Seabrook is a cool suburb. Seabrook Primary is my school my teacher is Mr.Veale. He is funny. Miss Hallatsch is cool too. Our Principal is Miss Lee. Seabrook is a great place to live in.*

*Seabrook is a great school. It is good for learning. We love Seabrook. My best friends are Katelyn and Daniella and we love going on the monkey bars. we also love the work and we all love literacy and maths. We love our school. This was a cool activity Mr.Veale. *Katelyn - Seabrook has caring teachers that look after each other and students look after each other too . Kids at Seabrook like and care and share with each other.*

*Shihab - I LOVE SEABROOK BECAUSE THEY HAVE A PLAY GROUND. YEAH PEOPLE! SEABROOK IS THE BEST SCHOOL*

# MIDDLE LEARNING COMMUNITY NEWS

Over the past couple of weeks, **Grade 3MM** has been enthusiastically inquiring into the central ideal 'Finding peaceful solutions to conflict leads to a better quality of life'. As part of our final inquiry for this year, we have been looking at the issue of bullying. After having our incursion with the Life Education Van and discussions in class, we have come up with different ideas to help prevent bullying. We have also been using role plays to try and help each other solve classroom and school yard conflicts.

Some of our ideas of the best way to deal with bullying are....

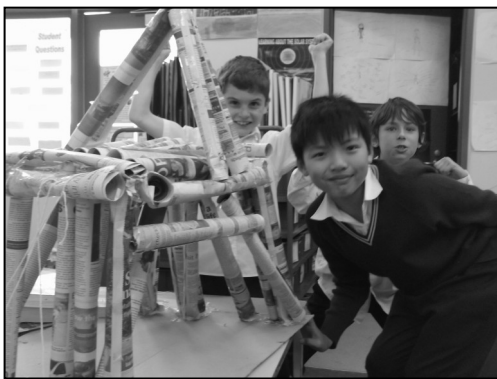

- Stand up for yourself or your friend because then they (the bully) won't think you are weak (Amelia)
- Tell a parent or guardian because they will try to help you (Ava)
- Help the victim, because the victim can't deal with it alone (Josie)
- Tell the teacher when you get the chance because the teacher will be more effective than a child. (Alexander P.B)
- walk away and don't keep it in your mind (Moy-Moy)

## BRIDGE BUILDING CULMINATION TO OUR DESIGN INQUIRY

As the final assessment task for our Design, Creativity and Technology Inquiry 4SL spent a week designing and then building bridges. Through the week students worked in groups to build 3 different bridges each. They used a variety of materials: newspaper, plastic straws and spaghetti (dry not wet!). They were also given a cardboard base, sticky tape and string.

The brief was to build a 50cm span bridge that could support as many 200 page paperback books as possible. Students showed themselves to be thinkers as they planned, communicators as they worked together to build and risk-takers as the bridges were tested.

**Newspaper beam bridge**  
(Samuel, Danny and Tommy) - 9 books

**Straw suspension bridge**  
(Steph and Jayden) – 16 books

**Spaghetti Bridge**  
(Jaidyn and Tal) – 7 books

## Phillip Island Adventure Resort Grade 3 Camp

The students counted down their days at school until it was time for their long awaited first time experience embarking on a 3 day camp to Phillip Island. Parents and students said their goodbyes with hugs, smiles and some tears before hopping on the bus. Once they arrived, it was on for young and old! From canoeing to the giant swing, the Seabrook Primary School kids gave it all they had with their positive energy and enthusiasm.

As part of the current inquiry unit for grade 3: 'Finding peaceful solutions leads to a better quality of life', students gave it their best by committing themselves to showing a caring, cooperative and empathetic attitude towards each other throughout the entire experience. Read below for a snap shot of just some of the experiences our students had...

*'My fav highlights were the Flying Fox, Giant Swing and last but not least, Canoeing. All of these activities were fun and peaceful'. (Ananya Arya-3HT)*

*'The Giant Swing was awesome. As soon as you let go of the rope, it is like you're floating in mid-air. It involved a lot of team work because everybody had to haul you up into the air'. (Jake Ingram-3HT)*

*'I liked the canoeing because you had to use cooperation when working with others to make the canoe go along the water. (Stephanie Guldej-3HT)*

*Camp was fun, I showed confidence by doing all the activities and respect by looking after my cabin, My favourite activity was the giant swing because it was fun and a bit scary (Karla Neasey, 3MM)*

*I showed respect when I listened to the instructions for the activities. My favourite activity was the giant swing because you got to choose what height you wanted to go. (Hayley Lambert, 3MM)*

## Grade 6 Canberra Tour 2012

An information booklet with an expression of interest and deposit slip has been given to all grade 5 students. Please return this to your classroom teacher or Michael Bell in room 10 before the 24th of November 2011 to secure your place on the tour. Don't miss out on this fantastic, educational opportunity!

## Summative of Assessment

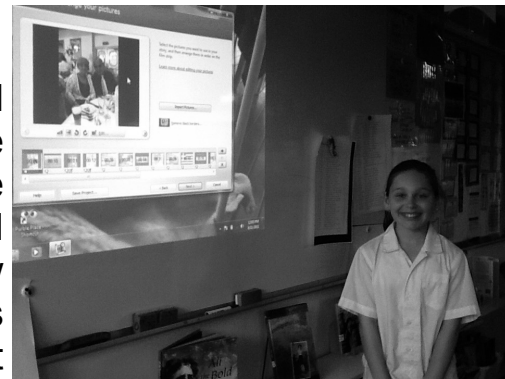

For the grade five's Summative of Assessment task they had to create a photo story based on the Central Idea: 'People move to and stay in areas for a variety of reasons.' The students interviewed a family member or a close friend to find out about their migration journey. They used their interview used to create a magnificent photo story by using programs iMovie and Photo story 3. Students' recorded their script explaining their family's story, photos and background music to enhance the presentation. This is what the students said:

*"I enjoyed this session because I learnt the different applications for the use of iMovie."* Anne-Sera Jayatilake

*"When I was completing this I gained my knowledge of my family's history and I learnt how to use Photo story 3 on PCs as well as on Mac books."* Jacinta Savic

*"When I was doing my iMovie I found out how it works and I gained more knowledge about my family's history. I have also learnt some more ICT skills."* Harry Bai

*"I enjoyed this lesson of making an iMovie as I gained some ICT knowledge. I also learnt a lot about my family's history as I can use the information in my future projects/assessments."* Malina Leu

## Hand, Foot and Mouth disease

Unfortunately there have been confirmed reports of Hand, Foot and Mouth disease at Seabrook Primary School. If your child presents with blisters inside the cheeks, gums and on the sides of the tongue, as well as on the hands and feet please consult with your Doctor and inform the school. Children with Hand, Foot and Mouth disease do need to be excluded from school until the blisters have dried.

### What is hand, foot and mouth disease?

Hand, foot and mouth disease is generally a mild illness caused by the coxsackievirus. It is not a serious illness and has nothing to do with the animal disease called foot and mouth disease. It mainly occurs in children under 10 years of age but can also occur in older children and adults.

### What are the symptoms?

- Coxsackievirus infection may cause no symptoms at all or only very mild symptoms.
- When symptoms do occur, they include blisters that start as small red dots which later become ulcers. Blisters appear inside the cheeks, gums, and on the sides of the tongue, as well as on the hands and feet. In infants, sometimes blisters can be seen in the nappy area. Blisters usually last for seven to 10 days.
- Children can sometimes have a low fever, sore throat, tiredness, feel off colour and may be off their food for a day or two.
- Very rarely, the coxsackieviruses can cause other illnesses that affect the heart, brain, lining of the brain (meningitis), lungs, or eyes.

### How is it spread?

- Hand, foot and mouth disease is usually spread by person-to-person contact. The virus is spread from the faeces of an infected person to the mouth of the next person by contaminated hands. It is also spread by secretions from the mouth or respiratory system, and by direct contact with the fluid from blisters.
- It usually takes between three and five days after contact with an infected person before blisters appear. The virus can remain in faeces for several weeks.

### Who is at risk?

- The viruses that cause hand, foot and mouth disease are common and adults including pregnant women are often exposed to them without symptoms. There is no clear evidence of risk to unborn babies from hand, foot and mouth disease. However, infected mothers can pass the infection onto newborn babies who rarely can have severe disease.
- Outbreaks may occur in child care settings.

### How can it be prevented?

- Good hygiene is the best protection: wash hands with soap and water after going to the toilet, before eating, after wiping noses, and after changing nappies or soiled clothing.
- Avoid sharing cups, eating utensils, items of personal hygiene (for example: towels, washers and toothbrushes), and clothing (especially shoes and socks).
- Thoroughly wash any soiled clothing.
- Ensure the mouth and nose are covered when coughing and sneezing. Wipe the nose and mouth with tissues, dispose of used tissues and then wash your hands.

### How is it diagnosed?

The doctor can diagnose hand, foot and mouth disease based on the symptoms. Laboratory tests are not usually necessary.

### How is it treated?

Usually no treatment is needed. Paracetamol will relieve fever and discomfort. Do not give children aspirin. If the headache is severe, or if fever persists, consult a doctor.

### What is the public health response?

Hand, foot and mouth disease is not notifiable. Children with hand, foot and mouth disease should be excluded from school or childcare facilities until their blisters have dried.

To help prevent spread, parents should report the illness to the director of the childcare centre or school principal. See full [Contact details for Public Health Units](#).

# SPORTS NEWS - GRADE 1-3 TABLOID SPORTS DAY

Well done to all the children who participated in the Tabloid Sports Day on Friday. It was perfect weather and it was great to see everyone dressed in their house team colours. There were lots of fun activities, including the parachute, mini trampoline, vortex throwing, sack races and a handball target. The children received points for wearing their team colours as well as at most of the activities. The children were also mixed up in groups across the three year levels, which was fun working with different students than their normal class. After about 8 activities each, all the points were tallied and it was Purple House who came out in front, with 9495 points, Jade was next with 8070, Cobalt 6880 and Orange 5800. A special congratulations goes to the Sport and House Team Leaders from grade 6, who helped organise the event with Mr. Ganley and Mrs. Traianon and then run each activity on the day, demonstrating to the children how to do each one. Thanks to all the class teachers and parents who supported the day as well.

The Council is developing the Hobsons Bay City Council Bicycle Strategy in partnership with the Traffic Group and Bicycle Network Victoria. Participation and feedback will help the Council better understand the local riding environment and identify improvements that are required to make riding in Hobsons Bay more enjoyable and attractive.

The survey can be completed online by visiting the following link <http://www.surveymonkey.com/s/XVPC7ZT>

By simply completing the survey, participants will go into the draw to win some fantastic prizes. First prize is a \$500 voucher prize to be redeemed at Salter Cycles, 305 Queen Street, Altona Meadows supplied by Hobsons Bay City Council. Second prize is a bike helmet, light and lock supplied by and to be redeemed at Salter Cycles.

Thank you for your assistance

## CAN YOU HELP?

The Grade Two Learning Community is requesting from any parents in the Seabrook community assistance in the making of chair bags for use in the classroom. We can provide the measurements for these chair bags and the material. These chair bags are a great resource for students to house their independent reading books, in close proximity to their work area, in an organised manner.

If you are interested, could you please contact the Grade One and Two Learning Community Assistant Principal, Mrs. Carmen Sacco for more details.

Thank you for your continued support,

Grade Two Learning Community

## CANTEEN NEWS

We are pleased to inform you that we now stock Halal pies for \$3.00 and jumbo sausage rolls for \$3.50. Anyone who would like one of these, please clearly mark Halal on the lunch order bag to ensure you are given the correct product. Have a wonderful week, regards

## SCHOOL BANKING

Bring your Commonwealth Bank School Banking deposit books to school every **WEDNESDAY** and hand in to your **TEACHER**. You can redeem your 10 silver Dollarmite tokens or 1 gold Dollarmite token for a Moneybox, Wallet, Drink Bottle, Lunch Box or a Watch.

For every deposit your child makes they will receive ONE Dollarmite token. If your child wishes to redeem their tokens for a reward, they will need to send in their tokens on a WEDNESDAY and inform the School Banking Volunteers which reward they would like. The reward may take about 7 days.

The School Banking program is designed to encourage individual savings behaviour and to help children achieve their savings goals. For this reason pooling of tokens is not allowed.

**CONGRATULATIONS** to the following students who have received a School Banking Bronze Certificate for their great efforts in making **10 deposits**:-  
*Brandon Alguno*

**CONGRATULATIONS** to the following students who have received a School Banking Silver Certificate for their fantastic efforts in making **20 deposits**:-  
*Jade Hunter-Pendlebury & Myra Porter*

**CONGRATULATIONS** to the following students who have received a School Banking Gold Certificate for their outstanding effort in making **30 deposits**:-  
*Leela Elliott, Emma Baldacchino, Ebony Buckingham, Mia Fynney & Brodie Cheadle-Jones*

**CONGRATULATIONS** to the following students who have received an Outstanding Achievement Certificate for their amazing efforts in making **50 deposits**:-  
*Justine Natalie Lowes & Mia Elkington*

Saving regularly is an important habit to get into, whether you're saving a little or a lot. Keep up the great work and remember to bring in your deposit book each Wednesday. Thank you for supporting the School Banking Program.

Seabrook School Banking Volunteers.

## Financial Assistance Parent Information

**Education Maintenance Allowance (EMA)**

The Education Maintenance Allowance (EMA) is provided by the Victorian Government to low-income families to help with education-related costs. If you have a child under 16, and hold a valid Health Care Card, Pension Card, or are a foster parent, you may be eligible to receive the EMA. The allowance is split evenly between the parent and the school, and is paid in two instalments, one in March and one in August. The parent portion is often used for uniforms and excursions, while the school portion may be used for expenses such as textbooks, stationery and special programs. You can elect to have the parent portion of the EMA paid into your nominated bank account or receive a cheque. In 2012, the total annual amount is **\$235** for primary students and **\$470** for secondary students – these amounts are split evenly between the parents/guardians and the school.

**School Start Bonus**

The School Start Bonus is provided by the Victorian Government to assist low-income families with the costs associated with their child starting Prep or Year 7 at a government or non-government school. If you hold a valid Health Care Card, Pension Card, or are a foster parent, and you have a child starting Prep or Year 7, you may be eligible to receive this one-off **\$300** payment. The School Start Bonus will be paid by Electronic Funds Transfer (EFT) into your nominated bank account in late January 2012. The School Start Bonus is separate, and additional to the Education Maintenance Allowance (EMA).

**How to Apply:** Contact the school office to complete an application form for the EMA/School Start Bonus.

**Closing Date:** Parents/guardians with prep or year 7 children commencing in 2012 need to lodge an EMA/School Start Bonus form **before 15 December, 2011**. For late enrolments, applications will be accepted up until 29 February 2012.

For more information about the School Start Bonus and the EMA, visit [www.education.vic.gov.au/aboutschool/financial/](http://www.education.vic.gov.au/aboutschool/financial/)

**Education Tax Refund:**

The Education Tax Refund is a Commonwealth Government tax refund to help with the cost of educating primary and secondary school children. Eligible parents, carers, legal guardians and independent students can be reimbursed for half the cost of items such as computers, educational software, textbooks and stationery.

For more information about the Education Tax Refund, visit [www.educationtaxrefund.gov.au/](http://www.educationtaxrefund.gov.au/)
