

SEABROOK IS ON A MISSION AND WE NEED YOUR HELP!

TIME TO TALK EGO

with Miss Eason

The year six Sustainable Leadership team in conjunction with our Staff Sustainability Committee are on a mission to reduce the amount of waste our school produces!

HOW CAN YOU HELP US ACHIEVE OUR GOALS?

Waste tip of the week

Just in case you missed this in last week's issue!

Save up to 80% on compost bins and worm farms!

<https://compostrevolution.com.au>

Get a discounted worm farm, compost or bokashi bin delivered to your home from your local council and turn your food scraps into liquid fertiliser and rich soil.

Bee's wax wraps!

You can buy them at most health food store or simply make them yourself with your children! They can then bring them into school and show off their cool creation!

They are a great alternative to single use plastic cling wrap!
Bee's wax wraps last for up to a year with proper care and regular usage.

Stay tuned for weekly tips and tricks that will help you implement waste friendly house hold and school community! Weekly coloring sheets are available from our website.

TIME TO TALK ECO

with Miss Easson

COMPETITION TIME

Colour in the picture below and deliver it to Miss Easson in room #42!

Competition will run for two weeks!
